Harmony Day is a day of cultural respect for everyone who calls Australia home - from the traditional owners of this land to those who have come from many countries around the world. By participating in Harmony Day activities, we can learn and understand how all Australians from diverse backgrounds equally belong to this nation and enrich it.

Islington Public School traditionally celebrates Harmony Day and the wonderful diversity of our community with a celebratory feast! We call on our community members to prepare a dish that represents your culture or has a special place in your family to share with us all. We encourage all of our community to join us for lunch at 11am of Friday 18th March, share a meal and participate in Harmony Day activities. Orange is the official colour of Harmony Day and all children can celebrate by wearing orange clothing instead of school uniform.

STEM Conference
Congratulations to Mr Bradley, Mr Lumley, Mrs Neil & Miss Wagstaff who presented at the State Conference in Sydney last Tuesday and Wednesday.

Many schools were very impressed and sort advice from Islington Public School on our approach to STEM (Science, Technology, Engineering, Mathematics) and how the associated programs are implemented in our school.
